To: Publicity Director,

I am glad that I am still on the mailing list. Believe me, I read every word of the "Chartroom Chatter & Roster Book". Definitely read of progress, particularly of the clubs membership. It was always my hope as a Charter Member, with Bill Mathews and a few others that we would encompass every boater's interest in the Bay and the States adjoining.

Looks like that has been accomplished. Keep up the good work for the CBYCA was established on a solid foundation

My best wishes to all and good wishes for a Happy New Year.

Most Sincerely,

Col. Edwin J. Wolf (ret.)
