LOTS OF MUSIC FOR LESS

The Riverside String Band are not mummers. Some people think that all string bands are mummers that wear fancy costumes but that is not true. We are a concert band that normally consist of 10-12 members for smaller occasions and up to 20 or more for the larger venues.

Our pricing is moderate at about \$250.00 for 1.5 hours of concert music and slightly more for parades that use our float and driver. If you have a special occasion call us for a complete range of pricing and availability. There is a very good chance that you will be happy too!
